

ROLLING RALLY

CLASS OF 2021

Information & Planning Guide

HERE'S WHAT YOU NEED TO KNOW:

- **ARRIVAL:** Arrive at DPW via **DALE STREET ENTRANCE** (not from Route 27) at the arrival time according to your last name. (See times on the right). Road signs will direct you to this entrance from Dale Street.
- Please remain in your car until the rally begins.
- **START TIME:** Rally will begin promptly at 1pm. Please be on time!
- **DRIVER/PASSENGER:** Each student should travel in their own car with household family members only. **For safety purposes we ask seniors to sit in the front passenger seat while another family member drives.**
- **SAFETY:** All vehicle passengers should **obey these traffic rules** and guidelines (wear seatbelts, no hanging out of windows, doors, sunroof, etc., hatches must stay closed, no riding in the rear of a pickup truck, rear window must be clear for visibility). Once the caravan begins, please stay in order and do not try to pass other cars. Parents are asked to follow the procession of cars all the way to Blake Middle School Front Entrance and exit via Pound St. at the conclusion of the Rolling Rally and the start of the Senior's 'Party in the Park'. Your prompt drop-off would be greatly appreciated to avoid a long wait time for cars behind you.
- **SOCIAL DISTANCING:** All social distancing guidelines should be followed. Please do not exit your vehicle before or during, the procession.
- **DECORATE YOUR CAR:** Put your Senior poster provided by ANGP on the door of the front passenger side of your car, so the community will know who you are. Make signs and get as creative as you'd like —coordinate a theme with friends, your sports teams or the clubs you participated in during high school.
- **FOLLOW US ON FACEBOOK:** Please follow the **MHS Class of 2021 Rolling Rally Facebook page**. We will be sharing live videos, including a classmate singing our National Anthem from McCarthy Park, before the rally begins.
- **The ROUTE:** The caravan will lead you throughout the route. **See attached route**. Please keep the same pace as the car in front of you.
